Dear colleagues:

The Organizing Committee of the Havana International Fair, FIHAV, is pleased to invite you to its 37th edition which will be held from November 4th to 8th, 2019, at EXPOCUBA Exhibition Site.

On the threshold of the Havana's 500th anniversary, this capital becomes once afresh the host to the most outstanding international fair for trade and investment in Cuba and one of the most representatives in Latin America and the Caribbean.

FIHAV has been organizing continuously since 1983 resulting in an excellent business platform for new companies in the market and those already established. As usual every year, FIHAV -in its last edition- was widely attended by Cuban and foreign visitors, official foreign delegations, chambers of commerce and trade-promoting and investment organizations worldwide.

For five days, exhibitors, businessmen and technicians from all sectors of the Cuban economy concur on the Fair's venue and a wide and varied international commercial sample, by creating a favorable setting for organizing business meetings, business rounds, seminars and conferences, among other activities.

In the framework of FIHAV 2019, we will hold the Fourth Investment Forum, which, judging by its previous editions, will be an excellent opportunity to carry out two-way meetings between Cuban businessmen and potential foreign investors, as well as to continue sharing ideas and exchanging on challenges that lie ahead for attracting foreign capital.

In FIHAV 2019, we will guarantee interesting and worthwhile working sessions, as well as unforgettable moments during your stay in Cuba.

We welcome you to the Havana International Fair.
